DR (COLONEL) RAKESH VERMA

Dr. (Col) Rakesh Verma is a distinguished Healthcare Administration Specialist with over 35 years of rich and diverse experience spanning both military and civil healthcare ecosystems. An alumnus of the prestigious Armed Forces Medical College (AFMC) and AIIMS, New Delhi, he seamlessly combines strategic corporate leadership with clinical and operational expertise.

His work is defined by pioneering contributions to hospital planning, global quality accreditations, large-scale medical infrastructure design, healthcare risk management, and digital health systems, with substantial specialization in hospital operations and advising hospitals on information management systems.

Present Engagements & Leadership

- **Executive Roles:** He serves as the Founding CEO of AeonMed Health & Hospitals Pvt Ltd and has worked as the Principal Consultant for Healthcare Facility Planning & Designing at Jhpiego (a Johns Hopkins University affiliate) in a pan-India role.
- **National Advisory Boards:** Dr. Verma is an empanelled Consultant in Hospital Administration at AIIMS, Jammu, and lends his strategic insights as a member of the Industry Advisory Committee for the MBA (HA-HM) program at the Indian Institute of Management (IIM), Jammu.

Quality, Accreditation & Patient Safety

- **Global Standards Execution:** He is an active International Surveyor for the International Society for Quality in Healthcare (ISQua) and a Life Member of the ISQua International Academy for Quality & Patient Safety.
- **National Governance:** He holds the critical position of member of the Accreditation Committee and Co-chair of the Technical Committee at the Quality & Accreditation Institute (QAI). Earlier, he was a Principal Assessor for NABH from 2010 to 2020.
- **Strategic Collaborations:** In 2025, he successfully negotiated and designed international collaborations with ISQua and CAHO to develop and deliver localized programs in healthcare quality, patient safety, and healthcare risk management.

Facility Planning & Capital Projects

- **National Public Infrastructure:** Dr. Verma spearheaded the concept-to-facility planning for 50 Critical Care Hospital Blocks across 14 states in India under the Prime Minister's Ayushman Bharat Health Infrastructure Mission (PM-ABHIM), managing a massive project footprint of 2.2 million square feet and a cumulative budget of ₹1,229 Crores.
- **Specialized Clinical Spaces:** His portfolio includes designing the Centres of Excellence in Nursing Education in Assam, College of Nursing in 27 districts of Uttar Pradesh, India, the Centre of Excellence for Robotic & Techno-surgery at AIIMS Jammu, India and international multi-specialty hospital concept plan in Angola.
